

Quality declaration - Pupils Gross Enrolment

0 General information on statistical product		
0.1	Name	Pupils Gross Enrolment
0.2	Subject area	Education
0.3	Responsible Authority, Office, Person, etc.	Ms. Alina Grigoryan Head Social Sphere Statistics Division Armstat 3 Government House, Republic Avenue, Yerevan 0010, the Republic of Armenia Phone: +374 11 524 514 Email: alina_grigoryan@armstat.am , info@armstat.am
0.4	Purpose and History	The main goal is to provide users with annual information on the gross involvement of children in secondary schools. The information has been maintained since the 30-es of the 20 th century 2001. It has been regularly improved throughout the years to ensure the comparability with international classifications, composition of indicators and other standards.
0.5	Users and Application	The main users of the statistical information are the state government and local self-government bodies, public, scientific- educational, financial organizations, business society, mass media, international organizations, etc. Information on the gross involvement of pupils is applied for the purpose of strategy development in the mentioned field, solutions of the strategic tasks, and other purposes.
0.6	Information Sources	The main source of information compilation is data on secondary education (schools) received on an annual basis from the RA Ministry of Science, Education, Culture and Sport which serves as an administrative register.
0.7	Legal Authority to Collect Data	The data are collected based on the Law on "Official Statistics" and "Five Year Statistical Program", as well as the Resolution No. 05-N of RA State Council on Statistics "On Approval of the Procedure for the collection of statistical data" dated 20 June 2016 and Resolution "On Approval of Annual Statistical Program".

0.8	Response Burden (Primary information providers)	Response burden not estimated.
