National Statistical Service of the Republic of Armenia

Karine Kouyumjyan, Head of Population Census and Demography Division, for preparing Chapter 1, “Demographics and Migration”

For preparing and editing Chapter 2, “Overview of Economic Developments in Armenia Over 2008- 2015”:

Lilit Petrosyan, Member of the State Council on Statistics of the Republic of Armenia,
Lusya Khachatryan, Head of Macroeconomic Indicators and National Accounts Division;
Haykoush Titizyan, Head of Financial Statistics Division;
Nelly Bagdasaryan, Head of Social Statistics Division, for supporting preparation of Chapters 7 and 8 in Part 3, “Non-income dimensions of Poverty”;
Mariam Yeritsyan, Head of Statistics on Prices and International Comparisons;

As well as to all other staff **members of the Households Survey Division.**

The first part of the report presents the demographic snapshot and briefly describes the economic developments in Armenia during the reporting period, the poverty profile, child poverty. Income and expenditures and access to social services are analyzed in the second part. The third part of the report elaborates on healthcare, education and housing conditions. The closing fourth part of the report presents the subjective estimates of poverty. Poverty measurement methodology is described in the section “Methodological Clarifications.” Statistical tables are presented in the Annex.

When using data from this publication please refer to the document as follows: National Statistical Service of the Republic of Armenia, “Social Snapshot and Poverty in Armenia”, Yerevan, 2016.
