

ACKNOWLEDGMENTS

The RA National Statistical Service expresses its gratitude to all those who contributed to the preparation of this Report.

In particular, we express our gratitude to:

- The World Bank experts for technical advice and monitoring, guidance on poverty assessment and analysis, English translation of this report, as well as for preparation of the sections of the report titled "Poverty Rates in the Countries of the Region" and "Multidimensional Poverty in Armenia",
- The United Nations Children's Fund (UNICEF) country office in Armenia for methodological support in the preparation of the «Child Poverty» Chapter;
- RA Ministry of Labor and Social Affairs, RA Ministry of Education and Science, and RA Ministry of Health for their cooperation; and
- All households participating in the surveys, interviewers, all other participants, and all users interested in this report.

Osman Kaan Inan	Junior professional assistant, Global Poverty and Equality Practice, World Bank
Chinchin Lew	Junior professional assistant, Global Poverty and Equality Practice, World Bank
Maddalena Honorati	Senior economist, Social Protection and Labor, World Bank

United Nations Children's Fund, particularly to.

Tanya Radoča	UN CF Armenia Country Office Representative
Ada Babloyan	UN CF, Specialist of Monitoring and Evaluation, and Child's Rights Monitoring Division

RA National Statistical Service, particularly:

Karine Kujumdjyan	RA NSS, Head of Census and Demography Division, for preparation of Chapter ("Demography and Migration") of the Report
--------------------------	--------------------------------------------------------------------------------------------------------------------------

For preparation of Chapter 2 of the Report:

Lusya Khachatryan	RA NCC, Head of Macroeconomic Indicators and National Accounts Division
Haykush Titizjan	RA NSS, Head of Financial Statistics Division

Nelli Baghdasaryan

RA NSS, Head of the Social Sector and Environmental Statistics Division, for assistance in preparation of Chapters 7 and 8 of Part 3 (“Non Material Poverty”) of the Report.

Mariam Yeritsyan

RA NSS, Head of Price Statistics and International Comparisons Division

As well as to **all other employees of the RA NSS Household Survey Division.**

The first part of the report presents the demographic picture of Armenia and a brief description of economic developments recorded during the period under review, the snapshot of poverty and child’s poverty. Incomes and expenses, as well as access to social services are presented in the second part. The third part of the Report focuses on healthcare, education and housing conditions. The subjective assessment of poverty is presented in the last - fourth part of the report.

The Poverty Assessment Methodology is presented in the section "Methodological Explanations"; statistical tables are presented in the Annexes.

In case of using the data presented in this publication, please make the following reference to the document: «National Statistical Service of the Republic of Armenia, "Social Snapshot and Poverty of Armenia", Yerevan, 2017.
