**Armenuhi Hovakimyan** Head of the Social Protection Division, UNICEF  
**Astghik Martirosyan** Head of the Division for Monitoring and Evaluation, Children’s Rights Systems Monitoring, UNICEF  
**Ada Babloyan** Expert of the Division for Monitoring and Evaluation, Children’s Rights Systems Monitoring, UNICEF

**Statistical Committee of the Republic of Armenia, particularly:**

**Karine Kouyumjyan,** Head of the Population Census and Demography Division, for preparing Chapter 1, *“Demographics and Migration”*

**For preparing Chapter 2, *“Overview of Economic Developments in Armenia over 2012-2018”*:**

**Lilit Petrosyan,** Member of the State Council on Statistics of the Republic of Armenia  
**Lusya Khachatryan,** Head of the Macroeconomic Indicators and National Accounts Division

**Haykoush Titizyan,** Head of the Financial Statistics Division

**Alina Grigoryan** Head of the Social Statistics Division

as well as

**Mariam Yeritsyan,** Head of the Division for Price Statistics and International Comparisons

**and all other staff members of the Households Survey Division – Aida Badalyan, Satik Karapetyan, Laura Avetisyan – for preparing the chapters and other materials of the report within their competence.**

The first part of the report presents the demographic snapshot and briefly describes the economic developments in Armenia during the reporting period, the poverty profile, and child poverty.

Income, expenditures and basic food consumption are analyzed in the second part. The third part of the report elaborates on healthcare, education and housing conditions, as well as the impact of social transfers on poverty reduction. The closing fourth part of the report presents the subjective estimates of poverty.

Poverty measurement methodology is described in the section *“Methodological Clarifications”* and statistical tables are presented in the Annex.
