LABOUR MARKET IN THE REPUBLIC OF ARMENIA

STATISTICAL HANDBOOK

© National Statistical Service of the Republic of Armenia, 2017

YEREVAN – 2017
In present day world, which is characterized by the information variety and intensity of informational flows, the possible “combination” of three participants of official statistics such as respondents, users and taxpayers, “occupying the angels of statistical triangle” having different dispositions, is of great importance, especially from viewpoint of perception requirements “communication skills leveling” by national and international levels.

The National Statistical Service of RA (NSS RA) would like to thank all the respondents who have supplied information for this statistical publication and from the above mentioned considerations welcomes any comments and suggestions from the respondents and taxpayers, as statistical users, for the future developments of statistical publication.

You are kindly asked to provide your comments and suggestions to the Public Relations and Statistical Information Dissemination division of NSS RA concerning the future development of the publications.

Conventional Symbols

- less than half of unit
not applicable
data are not available
revised data

In tables where figures have been rounded to the nearest final digit, there may be an apparent slight discrepancy between the sum of the constituent items and the total as shown:
