

This gratitude is addressed to **the whole population of the Republic**, who contributed to the RA 2011 Population Census conduction with its active participation and invaluable attitude.

We also convey our gratitude to **the World Bank, United Nations Population Fund, Armenian Office of UN High Commissioner for Refugees, US Agency for International Development, US Department of Commerce, Bureau of the Census, Governments of Norway, Switzerland, India and Italy**, as organization and conduction of the Second National Population Census of the Republic of Armenia in 2011 came true by their assistance.

It was invaluable **the assistance of RA State Commission of 2011 Population Census Preparation and Conduction** under the Chairmanship of the RA Deputy Prime Minister, Minister of Territorial Administration **Mister Armen Gevorgyan**, during all the phases of the Population Census implementation.

The State Commission of RA 2011 Population Census Preparation and Conduction conveys its gratitude to **the Armenian Apostolic Church, RA Ministries and Departments, 10 marzpets and heads of 915 communities of the Republic of Armenia, Mayor of city of Yerevan and heads of 12 administrative districts, “Armentel”, “K-Telecom” and “Orange Armenia” mobile phone connection operators, all the members and employees of Scientific, Educational and Non-Governmental Organizations and donor society** who supported Population Census conduction by their assistance.

*In the conditions of independence the Second National Population Census of the Republic of Armenia in 2011 mainly became possible thanks to:*

The World Bank,  
United Nations Population Fund,  
Armenian Office of UN High Commissioner for Refugees,  
US Agency for International Development,  
US Department of Commerce, Bureau of the Census,  
Government of Norway,  
Government of Switzerland,  
Government of India,  
Government of Italy.
